

B.Sc.(Home Science)-Part-III
Paper- Early childhood care education
Unit-I Chapter-4

Dr. Arti Diwan
Asstt. Professor- Home Science
I.G. Govt Arts and Commerce
P.G. College
Vaishali Nagar, Bhilai.

INTRODUCTION

A photograph of two young children lying on a white surface, surrounded by a large pile of colorful geometric blocks. The child on the left, with curly blonde hair and wearing a blue and yellow striped shirt, is holding a red block and a yellow block over their eyes. The child on the right, with long brown hair and wearing a red shirt, is holding a blue block and a green block over their eyes. Both children are smiling and appear to be having fun. The background is filled with various shapes and colors of blocks, including red, yellow, blue, green, and purple.

Nursery schools aim to provide high quality care and education for children and a secure foundation for learning in an encouraging and nurturing environment, where there is an equality of opportunity and support. Right array of activities could help in the overall development of the child.
